

### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, James Wasicak on August 5, 2008.

The application has been amended as follows: in the preliminary amendment to the specification dated April 28, 2006, the following changes have been made.

On page 2 of the preliminary amendment, the sentence, "Please add the following paragraph or section heading at page 1 line 5: Description of the Prior Art", has been *deleted*.

The heading, "*Background*", has been amended such that the heading is inserted directly above the second paragraph on page 1 of the specification.

The heading, "*Summary of the Present Invention*", has been amended such that the heading is inserted directly above the third **full** paragraph on page 3 of the specification.

The heading, "*Detailed Description of the Present Invention*", has been amended such that the heading is inserted directly above the fourth **full** paragraph on page 3 of the specification.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sikarl A. Witherspoon whose telephone number is 571-272-0649. The examiner can normally be reached on M-F 8:30-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel Sullivan can be reached on 571-272-0779. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
